FOLLOWING PERSONAL FOR HEAD OF MISSION FROM POLITICAL DIRECTOR

SUBJECT: PERSONAL: IRAQ

1. Your teleletter of 21 February to the PUS raises a number of highly sensitive issues. I can assure you that thought is being given to them, necessarily on a highly restricted basis. You will understand that correspondence, widely copied, on these issues is to be avoided. If any addressees were intending to comment, grateful if this could be in the form of Personal letters to the PUS only.

2. We will of course give guidance for Posts on Iraq issues as and when we can.
