Blue Text Revised 11/01/02

The Security Council,

**PP1** Recalling all its previous relevant resolutions, in particular its resolutions 661 (1990) of 6 August 1990, 678 (1990) of 29 November 1990, 686 (1991) of 2 March 1991, 687 (1991) of 3 April 1991, 688 (1991) of 5 April 1991, 707 (1991) of 15 August 1991 [Blix et al.], 715 (1991) of 11 October 1991 [Blix et al.], 986 (1995) of 14 April 1995, and 1284 (1999) of 17 December 1999, and all the relevant statements of its President,

**PP1bis** Recalling also its resolution 1382 (2001) of 29 November 2001 and its intention to implement it fully, [Russia PP2]

**PP2** Recognizing the threat Iraq's noncompliance with Security Council resolutions and proliferation of weapons of mass destruction and long-range missiles poses to international peace and security, [UNSC style]

**PP3** Recalling that its resolution 678 (1990) authorized member states to use all necessary means to uphold and implement its resolution 660 (1990) of 2 August 1990 and all relevant resolutions subsequent to Resolution 660 (1990) and to restore international peace and security in the area, X

**PP4** Further recalling that its resolution 687 (1991) imposed obligations on Iraq as a necessary step for achievement of its stated objective of restoring international peace and security in the area,

**PP5** Deploing the fact that Iraq has never not- provided an accurate, full, final, and complete disclosure, as required by resolution 687 (1991), of all aspects of its programmes to develop weapons of mass destruction and ballistic missiles with a range greater than one hundred and fifty kilometres, and of all holdings of such weapons, their components and production facilities and locations, as well as all other nuclear programmes, including any which it claims are for purposes not related to nuclear-weapons-usable material, [Bulgaria]

**PP6** Deploing further that Iraq repeatedly created obstacles to immediate, unconditional, and unrestricted access to sites designated by the United Nations Special Commission (UNSCOM), failed refused to cooperate fully and unconditionally with UNSCOM and International Atomic Energy Agency (IAEA) weapons inspectors, as required by resolution 687 (1991), ultimately ceased all cooperation with UNSCOM and IAEA in 1998, X

**PP6bis** Noting with grave concern the absence in Iraq of any international monitoring, inspection, and verification body with regard to weapons of mass destruction and ballistic missiles since December 1998, in spite of the Council's repeated demands that Iraq for the last three years has failed to provide immediate, unconditional, and unrestricted access to the United Nations

Monitoring, Verification and Inspection Commission (UNMOVIC), established in resolution 1284 (1999) as the successor organization to UNSCOM, and the IAEA, as it was first obliged to do pursuant to resolution 687 (1991), and as the Council has repeatedly demanded that it do, and regretting the consequent prolonging of the crisis in the region and the suffering of the Iraqi people, [Russia and others objected to U.S./UK PP6. PP6 and 6bis reflect France PPs 4 and 5]

PP7 Deploing also that the Government of Iraq has failed to comply with its commitments pursuant to resolution 687 (1991) with regard to terrorism, pursuant to resolution 688 (1991) to end repression of its civilian population and to provide access by international humanitarian organizations to all those in need of assistance in Iraq, and pursuant to resolutions 686 (1991), 687 (1991), and 1284 (1999) to return or cooperate in accounting for Kuwaiti and third country nationals wrongfully detained by Iraq, or to return Kuwaiti property wrongfully seized by Iraq,

PP8 Recalling that in its resolution 687 (1991) the Council declared that a ceasefire would be based on acceptance by Iraq of the provisions of that resolution, including the obligations on Iraq contained therein,

PP9 Determined to ensure full and immediate compliance by Iraq without conditions or restrictions with its obligations under resolution 687 (1991) and other relevant resolutions and recalling that the resolutions of the Council constitute the governing standard of Iraqi compliance,

PP10 Recalling that the effective operation of UNMOVIC, as the successor organization to the Special Commission, and the IAEA, is essential for the implementation of resolution 687 (1991) and other relevant resolutions,

PP11 Noting the letter dated 16 September 2002 from the Minister for Foreign Affairs of Iraq addressed to the Secretary General is a necessary first step toward rectifying Iraq's continued failure to comply with relevant Security Council resolutions,

PP12 Noting further the letter dated 8 October 2002 from the Executive Chairman of UNMOVIC and the Director General of the IAEA to General Al-Saadi of the Government of Iraq laying out the practical arrangements, as a follow-up to their meeting agreed in Vienna, that are prerequisites for the resumption of inspections in Iraq by UNMOVIC and the IAEA, and expressing the gravest concern at the continued failure by the Government of Iraq to provide confirmation of the arrangements as laid out in that letter, [Russia PP 12. The change makes the reference to the letter accurate]

PP12bis Reaffirming the commitment of all Member States to respect the sovereignty, territorial integrity, and political independence of Iraq and of all

States in the region, [most of Council wants this addition; this language is from res. 688]

PP12ter Commending the Secretary General and members of the Arab League and its Secretary General for their efforts in this regard, [Russia and 5+ others]

PP13 Determined to secure full compliance with its decisions,

PP14 Acting under Chapter VII of the Charter of the United Nations,

OP1 Decides that Iraq is still, and has been for a number of years and remains, in material breach of its obligations under relevant resolutions, including resolution 687 (1991), in particular through Iraq's failure to cooperate with United Nations inspectors and the IAEA, and to complete the actions required under paragraphs 8 to 13 of resolution 687 (1991);

\*  
taking note  
OP1bis Decides, notwithstanding paragraph 1 above, to afford Iraq, by this resolution, a final opportunity to comply with its disarmament obligations under relevant resolutions of the Council; and accordingly decides to set up an enhanced inspection regime with the aim of bringing to full and verified completion the disarmament process established by resolution 687 (1991) and subsequent resolutions of the Council; [UK-U.S.]

OP2 ~~Recalls that the Council has repeatedly warned Iraq that it will face serious consequences as a result of its continued violations of its obligations;~~ [France - moved to OP12bis]

OP3 Decides that, in order to begin to comply with its disarmament obligations, in addition to submitting the required biannual declarations, the Government of Iraq shall provide to UNMOVIC, IAEA, and the Security Council, not later than 30 days from the date of this resolution, a currently accurate, full and complete declaration of all aspects of its programs to develop chemical, biological and nuclear weapons, ballistic missiles, and other delivery systems such as unmanned aerial vehicles and dispersal systems designed for use on aircraft, including any holdings and precise locations of such weapons, components, sub-components, stocks of agents, and related material and equipment, the locations and work of its research, development and production facilities, as well as all other chemical, biological and nuclear programmes, including any which it claims are for purposes not related to weapon production or material; and further decides that UNMOVIC may, at its discretion, grant Iraq an additional 20 days to provide the information pertaining to Iraq's chemical and biological programmes, which it claims are for purposes not related to weapon production or material; [Blix said more time was needed regarding Iraq's chemical and biological programs]

OP7 Decides further that, in view of the prolonged interruption by Iraq of the presence of UNMOVIC and IAEA and in order for them to accomplish the disarmament tasks set forth in paragraph 3 above this resolution and all previous relevant resolutions and notwithstanding prior understandings, the Security Council hereby establishes the following revised or additional authorities, which shall be binding upon Iraq, to facilitate their work in Iraq: [This change is to make sense of language that was not accurate in the prior version - pointed out by OVP]

-- UNMOVIC and IAEA shall determine the composition of their inspection teams and in such a way as to ensure that these teams are composed of the most qualified and experienced experts available. ~~and~~ All UNMOVIC and IAEA personnel shall enjoy the privileges and immunities provided in the Convention on Privileges and Immunities of the United Nations and the Agreement on the Privileges and Immunities of the IAEA corresponding to those of experts on mission; [Blix and El Baradei language, modified to give the inspectors benefits beyond those enjoyed by experts on mission should that be appropriate.]

Blue Text Revised 11/01/02

This formulation builds on the Russian text (OP 5, tick 7). Blt likes this change.]

**OP9** Requests the Secretary General immediately to notify Iraq of this resolution, **which is binding on Iraq, and demands that Iraq cooperate immediately, unconditionally, and actively with UNMOVIC and the IAEA** ~~and decides that within seven days following such notification, Iraq shall state its acceptance;~~ [France OP7; to avoid pitfalls of demanding Iraq's acceptance]

**OP10** Requests all Member States to give full support to UNMOVIC and the IAEA in the discharge of their mandates, including by providing any information on Iraqi attempts since 1998 to acquire prohibited items and by recommending sites to be inspected, and persons to be interviewed, ~~conditions of such interviews, and data to be collected,~~ the results of which shall be reported to the Council by UNMOVIC and the IAEA; [numerous objections, including from Blix]

**OP11** Directs the Executive Chairman of UNMOVIC and the Director General of the IAEA to report immediately to the Council any interference by Iraq with inspection activities, as well as any failure by Iraq to comply with its disarmament obligations, including its obligations regarding inspections under this resolution;
