ATTORNEY GENERAL

IRAQ: KEY PAPERS

I attach the following papers for you meeting with the Foreign Secretary at 6:15pm today:

- A: Resolution 1441
- B: Your draft advice
- C: Your note to the PM of 30 January
- D: J Greenstock's letter recording your meeting
- E: Your draft response to J Greenstock's points
- F: Michael Wood's letter of 9 December

David has not yet been able to get hold of Jonathan Powell, despite several attempts. We do not therefore know whether No 10 is content for you to ~~pass~~ pass your draft advice to the Foreign Secretary. But he is expecting a call back shortly. If you were to phone David before the meeting with the Foreign Secretary, David may be in a position by then to tell you whether he has the go ahead from No 10.

I have enclosed a separate bundle of the documents at B, C and D documents in the pocket opposite for you to hand to the Foreign Secretary.
