We have agreed that you will start holding 0830 meetings starting from Wednesday. The rest of the Whitehall machinery will fit in with this.

We will need Geoff Hoon, Jack Straw and CDS. We assume you will want JP, GB and the AG. Other possibles are John Reid, Hilary Armstrong, David Blunkett and Clare Short. Do you want any of them?

As for officials we will need John Scarlett and Desmond Bowen (head of COBR). Do you want any of Andrew Turnbull/David Omand, C, Eliza Manningham Buller, GCHQ, others?
