FRAGO 02: PROVISION OF AIR TRANSPORT FOR THE ISG

**ADDITION TO CHIEF OF DEFENCE STAFF EXECUTE DIRECTIVE TO THE JOINT
COMMANDER FOR OPERATION TELIC (PHASES 3 AND 4) DATED 18 MAR 03.**

FROM DOPs FOR CJO

1. **Situation.** The Iraq Survey Group (ISG) is the MOD's main WMD effort in Iraq; it is now operational and its capability increasing. The ISG fusion centre is located in Doha and there is a requirement for timely movement of small teams of personnel between Iraq (usually Baghdad) and Doha. This is anticipated to require approximately two or three return trips a week.
2. **Task.** Against other requirements and making maximum use of Coalition AT, support to the ISG for the provision of AT movement between Doha and Iraq is to be afforded a high priority.
3. **Review.** This arrangement is to be kept under monthly review.
